Minutes of the
Gasconade County Soil and Water Conservation District
Regular Board Meeting – USDA Service Center, 314 S. Olive, Owensville, MO
Monday, October 4, 2010

Chairman, Ron Hardecke, called the regular board meeting to order at 8:12 p.m. Those present were: Ron Hardecke, Chairman; Curtis Koelling, Vice-Chairman; Gene Rademacher, Treasurer; Dennis Berger, Member; Melinda Barch, District Conservationist; Chrisi Armbruster, DNR, and Diana Mayfield, District Specialist II. Robin (Loehner) Kliethermes, Secretary, and Terry DuBois, District Technician II, were absent.

The minutes of the September meeting were read. Curtis Koelling made the motion to approve the minutes. Dennis Berger seconded the motion. Motion carried 4-0.

The September treasurer's report and time sheets were reviewed. Beginning balance of \$20,351.74 and ending balance of \$15,752.77. Diana Mayfield pointed out that a new license plate was purchased for the ATV trailer as the other one was stolen. It was suggested that a special plate be purchased next time that said "GCSWCD". Diana Mayfield is to look into the cost, until then the plate will remain in the office until the trailer is needed and taken off when returned. Concern was expressed over the continuing drill bills that keep coming in monthly. The last bill was for over \$900 and it was very vague as to the work that was done. Dennis Berger is to look into the matter. Diana Mayfield also pointed out that there was a discrepancy in the calculation of acres for a landowner who used the John Deere. Diana Mayfield discovered the error and has issued a refund check for \$45. She will monitor the calculations more closely. Dennis Berger made the motion to approve the time sheets and treasurer's reports as presented. Curtis Koelling seconded the motion. Motion carried 4-0.

The Board then reviewed the quarterly report. Dennis Berger made the motion to approve the report as presented. Curtis Koelling seconded the motion. The motion carried 4-0.

Unfinished Business

- ❖ The Board was briefed on the upcoming survey of the streambank site. They were also given a copy of the draft minutes for the phone conference in regards to the District providing funding which does not exceed 75% in total cost-share.
- ❖ Again, Diana Mayfield presented the board with the federal definitions for the Federal Wage Law provision for overtime compensation. She presented them with the specific explanation of state and local government employees being allowed to be compensated with comp time versus monetary compensation. She indicated that there will be a workshop on the subject at the training conference and that she will definitely be there to find out how DNR is coming up with District Staff being "exempt" employees. Gene Rademacher and Ron Hardecke said that we should wait for direction from DNR.
- ❖ The Board, again, reviewed the Missouri Forage and Beef conference agenda. No one was interested in going at this time. Terry had made no indication that he was interested.

New Business

- ❖ Staff reviewed the cost-share fund status and applications with the board. Gene Rademacher made a motion to accept the cost-share (listed separately) and the conservation plans as presented. Curtis Koelling seconded the motion. The motion passed 3-0 with Ron Hardecke abstaining.
- ❖ Diana Mayfield presented the Board with a list of volunteers to serve on the respective nominating committees for this year's upcoming election. For Area I the committee consists of Gary Seifert, Dale Ridder, and Roy Koelling. For Area III they are Jerry Lairmore, Henry Meyer, and Roger Loeb. Curtis Koelling made the motion to approve the proposed committees. Gene Rademacher seconded the motion. The motion carried 4-0.
- ❖ Diana Mayfield briefed the board on the insurance decision from DNR. She indicated not only was the premium going up but that the out of pocket expenses were also doubling for the employees. She asked that the board consider giving staff a cost-of-living raise of \$.24 to cover the additional premium. Gene Rademacher indicated that this should be discussed in closed session. Ron Hardecke said that we should address the other board issues first and then address the issue in closed session.
- ❖ The annual Christmas Dinner Board meeting is set for December 13th.
- ❖ The Board was asked who would be attending the Annual Training Conference this year. Ron Hardecke is the only one attending. He was asked to select his workshops as soon as possible.
- ❖ The Board reviewed the proposed resolution and it was decided to leave it at the discretion of Ron Hardecke as it was very vague and needed more clarification.
- ❖ The Board reviewed the memos and letters.
- ❖ Gene Rademacher made the motion to go into closed session pursuant to RSMo 2000; personnel actions under §610.021(3); personnel records or applications under §610.021(13). Dennis Berger seconded the motion. Roll call vote was taken. Ron Hardecke-yes, Curtis Koelling-yes, Gene Rademacher-yes, Dennis Berger-yes.
- ❖ Gene Rademacher moved to return to open session. Dennis Berger seconded the motion. Roll call vote was taken. Ron Hardecke-yes, Curtis Koelling-yes, Gene Rademacher-yes, Dennis Berger-yes.
- ❖ Ron Hardecke indicated that it is the decision of the board to offer the 2000 plan at full coverage by DNR and the 600 plan would be at the expense of the employee with no adjustment in salary.

- ❖ The Board reviewed the District reports. Melinda Barch indicated that the Forage and Beef Conference is scheduled for February 14th in Cuba. There is an upcoming sign up for EQIP/WHIP. Maries County will be hosting the Tri-County Grazing School this upcoming May. JR Flores wishes for all DC's to attend the SWCD Training Conference. Dave White will be the guest speaker at the opening assembly.
- ❖ Ron Hardecke asked Chrsi Armbruster if she had anything to add. As the memos were previously addressed, she briefed the board on a few things that were discussed at the recent commission meeting. She reviewed where some of the resource concerns stood in relation to the 70% allocation for the additional funding.
- ❖ The board reviewed the calendar of events.
- ❖ Ron Hardecke entertained a motion to adjourn. Gene Rademacher so moved. Curtis Koelling seconded the motion. All in favor. Meeting adjourned at 10:08p.m.
- ❖ Next Regular Board Meeting is scheduled for Monday, November 1, 2010, at 8 p.m.

District Manager Report
Diana Mayfield
November 1, 2010

I created maps, soil descriptions and/or updated toolkit files for:

Daniel Eagan, C/S/Recon George Soest, C/S	R Grellner, C/S
--	-----------------

Wow – what a wonderful two days we had for our 4th grade field days. This was our ten year for this event and we recognized the following people for their 10 years of participation. Mark Brandt, Mike Cook, Dennis Shirk, Brenda Kurrelmeyer, Dorathea Koepke, Connie Doerr, and myself. We also recognized the schools for their faithful participation. We had 198 students in attendance. I spent one day making “Thank You’s” for everyone that helped in any way.

I had the unfortunate experience of cutting off the top of my right index finger in a meat grinder– first ambulance ride too. I was off for a couple of days with that. Don’t worry – all the deer meat that could have been exposed, has been disposed of. My cooking is safe.

Once we received our new allocation, we began processing more cost-share applications. Hopefully, we will be able to use most of what we received.

Met with the nominating committees on October 25th. I have received two nominations from the Area III committee.

Drafted the quarterly newsletter. I took it to the printer on Oct 28th.

I developed a PDF Powerpoint of pictures from the field days and placed it and the newsletter on our web site. I submitted two articles to the newspaper – one for the 4th grade field days and one for the election.

Melinda Barch has asked me to be the Volunteer coordinator for the FOSA.

I have made all reservations for the annual training conference and reserved the Farm Bureau meeting room for our Christmas dinner.

I will be taking some time off November 22 – 25 to spend some time with my daughter and grandson.

During the month of October I attended the SWCD monthly board meetings in Gasconade, Maries and Osage Counties.

I gave a presentation at the Wurdack Grazing School on Water Systems and discussed available cost share programs to participants.

I worked on end of the year Performance Reviews for NRCS staff.

Mark Brandt and I helped at the 4th Grade Field Day for two days.

Mark Brandt and I attended the Pasture Walk hosted by Bruce Shanks. There were approximately 50 landowners in attendance from the surrounding area.

I assisted with the District and State Grassland Evaluation Contest.

Mark Brandt and I attending a short training session on Activity Based Costing, ABC. ABC is a data collection initiative that NRCS has been assigned to do for FY10. Mark and I had to gather data on the amount of time it took us to complete different tasks associated with the different federal programs in addition to time involved to implement the conservation practices in all three counties. The estimated this would take 60 hours to gather the data and enter the information into the computer program. That was probably not far off as Mark and I spent several hours on this. Mark was assigned the task for Gasconade County and I took care of Osage and Maries. Information had to be entered by October 29, 2010. Mark and I were able to meet this deadline.
